Budget US Flags

Save money! 3'x5' printed poly/cotton flag for short-term use. Perfect for special events!
\$6.95 (101.103)

All our flags are constructed with quality:

- Embroidered Stars (appliqued stars for flags 12'x18' and larger).
- Sewn Stripes with double-stitched seams.
- Outside edges have 4 rows of lock stitching to resist tearing.
- Heavy canvas headings with full-sized brass grommets.
- 100% Made in the U.S.A.

Choose your quality of fabric:

Good: Cotton

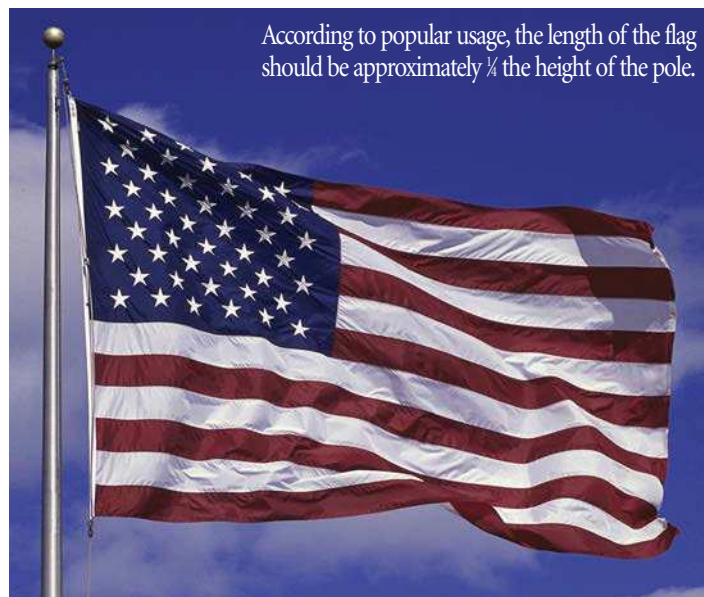

Traditional, best-looking material. The material of choice for ceremonies or military honors. Best for short-term outdoor display or indoor use. Perfect for special events.

Better: Nylon

Our most popular flag for outdoor home use. Your best value. Best material for retaining brilliant color. Quick-drying...ideal for rainy conditions. Lightweight...flies with the slightest breeze.

Best: Polyester

Our toughest, strongest, longest-lasting flag. Engineered for industrial, commercial, or institutional use. Ideal where high winds, stressful or extreme conditions exist.

According to popular usage, the length of the flag should be approximately $\frac{2}{3}$ the height of the pole.

How Long Will My Flag Last?

Our flags meet or exceed the federal standard of 90 days of use (sunrise to sunset, with protection during inclement weather).

For best results, do not expose your flag to rain, snow, or abnormally high winds, as these elements can shorten your flag's life considerably.

Avoid flying your flag when it is wet. Flying a heavy, wet flag in the wind puts excessive strain on the fabric and stitching, and will greatly reduce the life of your flag. Should the flag become wet, spread it out and allow it to dry completely.

Regardless of how well it is constructed, a flag is not indestructible. Since they're made out of fabric and subjected to the elements, flags will wear out sooner or later. Reasonably good care of your flag can contribute greatly to give it a longer life.

Outdoor Flags

Printed flags with canvas headings and brass grommets. Single-faced flags read correctly on front side (reverse on back side). Double-faced flags read correctly on both sides.

Badge Magic

Never sew on another patch!

Unique peel-and-stick adhesive makes patch application easy. Once applied, adhesive will withstand

washing and drying (do not dry clean). Each sheet of Badge Magic (4.25" x 6") will apply one patch up to 4", or multiple smaller patches.

How to use:

1. Place patch on adhesive sheet, and trace around it.
2. Cut out patch shape with scissors.
3. Peel off paper layer, and press patch onto adhesive.
4. Peel off patch, and press firmly onto garment.
5. Turn garment inside out, and rub back of patch firmly.
6. Heat in clothes dryer for 20 minutes.
7. If needed, apply medium heat with iron for 5-10 seconds.

Motorcycle Parade Flag Holder

A ready-made, high-quality parade-use flag holder. Innovative design, versatile, easy on-and-off. This parade flag holder bar is designed to fit any motorcycle with a trailer hitch. It includes a chrome receiver bracket that is permanently bolted onto the trailer ball and will not interfere with your trailers coupler (for Harley Davidson® FLT™ & FLH™ models, two small receiver tubes bolt onto the lower fender, and or saddlebag supports, and remain virtually unseen). The flag holder bar can then be installed or removed from the receiver bracket in seconds by removing two safety pins.

- Includes one flag holder socket. One or two more can be added (sold separately, #120.222) to accommodate up to three flags.
- The sockets accommodate up to 1-1/4" diameter poles, and are machined at a 150-degree angle to their bases. They can be rotated and tightened to display your flags, angled to the rear, sides, diagonally, or any combination of these.
- All components are machined from aircraft quality aluminum and steel, then polished to a flawless finish and triple chrome-plated.
- Flags and poles not included.
- Made in USA.

- Made from lightweight and strong aircraft aluminum tubing.
- Features a durable silver anodized finish, quick release flag mounting clips, and topped off with an attractive gold ball.
- Designed for displaying flags up to and including 3' x 5'. (Flag not included)
- Made in USA.
- NOTE: This flag pole is meant for parade use only, and is recommended for use at a maximum speed of 25mph (due both to the adverse handling that a flag can cause at higher speeds, as well as the load limit of the flag pole.)

Badge Magic

Never sew on another patch! Unique peel-and-stick adhesive makes patch application easy. Once applied, adhesive will withstand washing and drying (do not dry clean). Each sheet of Badge Magic (4.25" x 6") will apply one patch up to 4", or multiple smaller patches.

How to use:

1. Place patch on adhesive sheet, and trace around it.
2. Cut out patch shape with scissors.
3. Peel off paper layer, and press patch onto adhesive.
4. Peel off patch, and press firmly onto garment.
5. Turn garment inside out, and rub back of patch firmly.
6. Heat in clothes dryer for 20 minutes.
7. If needed, apply medium heat with iron for 5-10 seconds.

\$1.95 (820.501) one sheet

Patch Attach

Permanent, washable, dry-cleanable, non-toxic. A quick way to attach patches...with no sewing! Designed to bond almost any patch to fabric. So put away your needle and thread, and use "Patch Attach" instead!

How to use:

1. Apply "Patch Attach" along the EDGE of the entire patch back (do not apply to entire patch back).
2. Let glue dry for 10-20 minutes.
3. Position patch on the garment. Cover with a press cloth (such as an old T-shirt) to prevent scorching.
4. Press with a dry iron on cotton setting (no steam) for 60 seconds.
5. If possible, iron on reverse side for additional 30 seconds.

We Need Your Help!

Protect Your Name

Did You Know...

- Only the National Adjutant, or his designated representative (American Legion Emblem Sales), may give authority to use the registered names, emblems, or logos of The American Legion, in accordance with trademark law and National Executive Committee resolutions.
- No officer or member of a Post, County, District, Department, or other unit of The American Legion, has the authority to grant the right to manufacture, reproduce, or deal in items bearing the name, emblem, or logos of The American Legion or any colorable imitation thereof.

Why Protection?

- A basic principle of trademark law stipulates that organizations risk losing the exclusive right to use their registered trademarks if they fail to protect the marks from unauthorized use. Loss of exclusivity would allow individuals to exploit The American Legion name, emblems, and logos for personal gain. Public awareness of such exploitation could reduce the effectiveness of every Post's fund-raising and service projects.

How Can You Help?

- If you have a need for shirts, caps, pins, tacks, signs, stickers, etc...ask American Legion Emblem Sales first. Call us toll-free at 1-866-632-7131. We will either produce the items for you, or, as a designated representative of the National Adjutant, grant permission to have them made with an authorized manufacturer.
- Do not allow local companies to reproduce our name or emblem. Screen printers, embroidery shops, and any other manufacturer, are in violation of federal trademark law if they reproduce any of our names or emblems, and may be prosecuted. If you become aware of any such abuses, notify us toll-free at 1-866-632-7131.
- Order all of your American Legion-family merchandise from American Legion Emblem Sales. Proceeds from your purchase go directly into the Legion's and Auxiliary's general fund, which helps to finance all the successful programs and activities of The American Legion-family.

Public recognition and trust of The American Legion name and other American Legion-family registered trademarks are among the most valuable assets of the organization. Please help protect them.

Selected companies have been granted a license to produce items bearing the name or emblem of The American Legion. For an up-to-date list of these companies, please refer to our web site: **emblem.legion.org**

Need something special? Just ask us.

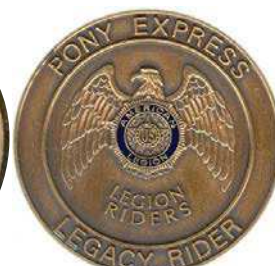

We can make just about anything for your special occasion... shirts, jackets, caps, pins & tacks, awards, coins, etc.

Take advantage of our buying power to get exactly what you need at a very affordable price. Just call and tell us what you need, and we'll do all the work for you.

Here's How It Works

- Tell us what item you want, and how you want it to look. A rough sketch or artwork is very helpful, but not necessary.
- Tell us when you need your item.
- Give us your name, address, and daytime phone number.
- We will give you a price quote for your item, along with an estimated time of delivery. Payment is required before your order can be placed. Payment methods accepted are Visa, Mastercard, Discover, or check.
